Entrance, Placement, and Transfer

Entrance, Date and Age

No pupil may be enrolled in kindergarten or first grade, whose fifth (5th) or sixth (6th) birthday does not occur on or before the tenth (10th) day of September of the school year in which the child registers to enter school unless approved by the Board of Trustees. A student who is at least six (6) years old, but has not completed a kindergarten program, will be tested and placed at the discretion of the administration. A birth certificate and an immunization record are required for admission to the District. The District will not assign or admit any child who has reached his/her nineteenth (19th) birthday on or prior to September 10th of the year in which the child is to enroll unless approved by the Board of Trustees.

School Entrance

1. The District requires that a child's parents, legal guardian, or legal custodian present to the school, within forty (40) days of enrollment, proof of identity of the child (birth certification or certified transcript).
2. In accordance with the Montana Immunization Law, a student will not be admitted who has not been immunized against diphtheria, pertussis, tetanus, poliomyelitis, rubella, mumps, and measles (except that pertussis vaccination is not required for persons seven [7] years or older). If the student qualifies for conditional attendance or an exemption is filed as defined by Montana law, immunization may not be required.

Placement

The goal of the District shall be to place students at levels and in settings that will enhance the probability of student success. Developmental testing, together with other relevant criteria, including, but not limited to, health, maturity, emotional stability, and developmental disabilities, may be considered in the placement of all students. Final disposition of all placement decisions rests with the principal, subject to review by the Superintendent and the Board.

Transfer

District policies regulating pupil enrollment from other accredited elementary and secondary schools are designed to protect the educational welfare of the child and of other children enrolled in the District.

Elementary Grades (K-8): Any student transferring into the District will be admitted and placed on a probationary basis for a period of two (2) weeks.

Should any doubt exist with teacher and/or principal as to grade and level placement of the student, the student shall be subject to an educational assessment to determine appropriate grade and level placement.

During the two-(2)-week probationary period, the student will be subject to observation by the teacher and building principal.

Secondary Grades (9-12), Credit Transfer: Requests for transfer of credits from any secondary school shall be subject to a satisfactory examination of the following:

1. Appropriate certificates of accreditation.
2. Length of course, school day, and school year.
3. Content of applicable courses.
4. The school facility as it relates to credit earned (i.e., lab areas for appropriate science or vocational instruction).
5. An appropriate evaluation of student performance leading toward credit issuance.
6. Final approval of transfer credits will be determined by the high school principal, subject to review upon approval by the Superintendent and the Board.

Montana Accreditation Rules and Standard, in accordance with local alternate procedures for earning credit, shall be applied to all credit transfer review.
