To whom it may concern ,

In the past few years, it has become increasingly difficult to maintain our buses with the length of time to get parts, finding reliable mechanics, and the rising cost for it all. Because of this, one of our buses will need to be replaced in order to provide the school with safe and dependable service and that is not feasible for us right now. Therefore we will not be able to fulfill the contract for route 10 for the school year 2023-24, but will still maintain and drive route 13 for the coming year.

Best regards,

**Thad Clock**
