Citizen Study/Advisory Committees

The superintendent and/or Board may appoint a citizen's committee as is necessary to establish interaction with the community about selected issues. The committee shall study specific school matters as outlined by the superintendent and/or Board and submit their findings or recommendations to the superintendent for presentation to the Board.

The intent of this policy is to provide a method for the superintendent and/or Board to gather public input to be used in the decision making process. Appointed committees will serve in an advisory capacity only. The board reserves all decision making authority.
