To: Bigfork School District 38, Board of Trustees

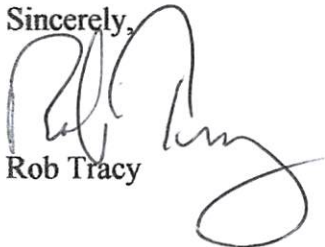

Subject: SPED Route 20 B (Intermountain)

I am requesting Board approval of a new SPED Route 20B necessary for the Intermountain Program which is held at Bigfork Elementary School. There are two students participating in the program who ride the bus. The route is only necessary in the afternoon as they can ride regular route buses in the morning however, they get dismissed at 2:30 and this requires another means of transportation to get them home. The Route took effect September for a trial period as we had to finalize the number of students participating as well as their addresses.

The round trip once a day mileage is 23.6 and it runs five days per week less early release on Fridays twice per month. The annual reimbursement rate for the period beginning September 4, 2018 through the end of the school year 2019 is \$6,039. This calculation is determined by miles per day (23.6) X reimbursement rate (\$1.57) per mile X the number of school days (163).

The Route 20 B schedule and map is attached.

Sincerely,

Rob Tracy
