To: Bigfork School District 38, Board of Trustees

Subject: SPED Route 20C (Intermountain)

I am requesting Board approval for a SPED Route 20C necessary for the Intermountain Program which is held at Bigfork Elementary School. There are two students participating in the program who ride the bus at the present time. The route is only necessary in the mornings as they can ride regular route buses in the afternoon, however they don't begin their day until 9:00 AM and this requires another means of transportation to get them to school. The Route took effect September 3rd for a trial period as we had to finalize the number of students participating and confirm pick up locations.

The round trip once a day mileage is 19.6 and it runs five days per week. The annual reimbursement rate for the period beginning September 3, 2019 through the end of the school year 2020 is \$6,350.00. This calculation is determined by miles per day (19.6) X reimbursement rate (\$1.80) per mile times the number of school days (180).

The Route 20C schedule/map all-inclusive is attached.

Sincerely,

Rob Tracy
