To: Lacey Porrovecchio <lporrovecchio@bigfork.k12.mt.us>

Lacey,

Please attach the below recommendation to the June Board of Trustees meeting agenda.

Thanks,
Matt J

Board of Trustees,

I would like to take this opportunity to recommend Mr. Bradley Cospers for hire as Bigfork Network Administrator. Mr. Cospers holds a Bachelor of Information and Communication Technology from the University of New Mexico – Online. During college he started his own IT support business, which he still consults for. Mr. Cospers is currently enrolled in the University of Dallas, as a masters student pursuing his MBA in cyber security. He is expecting to graduate in the summer of 2023.

Mr. Cospers is currently a resident of the Flathead Valley but grew up in New Mexico where he was active with technology and the State 4-H program. He is eager to jump in to support our technology needs and manage all supporting IT services.

Thanks,

Matt Jensen
Superintendent
Bigfork
