5 Use of Federal Title I Funds

6

7 The School District will ensure that federal Title I funds, are used only to supplement, and not supplant,
8 state and local funds that would, in the absence of federal funds, be spent on Title I programs or services
9 supported by federal funds.

10

11 Title I funds will not take the place of funds supporting education services that are to be provided to all
12 students. The School District uses Title I funds only to supplement funds that would, in the absence of
13 Title I funds, be made available from state and local non-Federal sources for the education of children
14 participating in Title I programs.
