

KINDERGARTEN STAGGERED START

Generally, we have a staggered start for kindergarten students. This is not related to COVID-19. In the event anything would change, we would notify you. Your child will have the opportunity to slowly be introduced to kindergarten. Since there will be a smaller group of students, your child will learn all of the basics of school in a lower stress environment. This includes a smaller group for lunch, recess, specials, and the basics of how to work in a classroom. We are really looking forward to working with your child this year!
