

**Bigfork High School Community Scholarship Program  
Donor Participation Form for 2022/2023**

**Donor's Name** \_\_\_\_\_

**Address** \_\_\_\_\_

**Phone** \_\_\_\_\_ **Email** \_\_\_\_\_

**Name of Scholarship** \_\_\_\_\_

**Amount of Scholarship** \_\_\_\_\_

The auditor requires that money awarded to students be transferred between the donor and recipient – Bigfork Schools can't deposit or manage the funds. Also, in order for the award to be tax deductible, the money must be awarded directly to the educational institution and the student (both names appear on the check, student signs it over).

Please check the method(s) you wish to transfer your scholarship award to the selected student(s):

\_\_\_\_\_ The BHS Scholarship Committee will select the winner(s) of my scholarship and would like BHS to send the name and address of the winner(s), as well as the school they plan to attend so I can send the funds to the student with the funds made out to both the institution and the student.

\_\_\_\_\_ I will select the recipient(s) of the scholarship and would like BHS to send me the name and address of student(s) chosen, as well as the school they plan to attend so I can send the funds to the student with the funds made out to both the institution and the student.

\_\_\_\_\_ Please give the student(s) the donor's name and address and have them send his/her first term grades, then the scholarship funds will be sent to the student made out to both the institution and the student.

If you indicated that you would like to review the applications for your scholarship award and decide the recipient(s), please indicate a date you would like to have the applications ready for review.

\_\_\_\_\_ Yes, I wish to review the applications and decide the recipient(s) and would like the applications by (due date) \_\_\_\_\_.

Please indicate any criteria you would like to specify to be used in selecting the recipient(s) of your scholarship, such as academic achievement (with a specific minimum GPA), financial need, talent, interests, community service, specific area of study, etc.

---

The scholarships will be announced at the Awards Assembly, in the Graduation Day Program as an insert, and in the local newspapers.

Please indicate whether you'd like to attend the **Senior Awards Assembly on Thursday, June 1st, at 10:00 a.m.** and/or present your scholarship. The assembly will be held in the high school gymnasium.

- Yes, I would like to present my scholarship at the assembly.
- No, I do not want to present, but would like it to be announced at the assembly and allow the student to be recognized.

Many thanks for your willingness to participate in this much appreciated program. I know that students, staff and community members have always been very grateful for the generosity of the donors.
