Topic for Presentation Bigfork High School Cave Club's work in wilderness caves

Relevant Points: The Cave Club provides studets with opportunities to develop resource assessment, baseline minitoring and conservation plans for caves on public lands. The work provides managing agencies with useful information and provides incredible learning opportunities for students. Working in wilderness caves adds an extra dimension to the work of the students which further enriches their education experiences, awareness and ability to mitigate real world problems.

What Would You Like The Board To Do? It has been a while since the club presented to the board. The present would be an update board members will hopoefully enjoy.

If appropriate it would be nice to have 10 minutes during the March meeting.

Note: This topic will appear on the agenda of the next Regular Meeting of the Board of Trustees. You are invited to attend the meeting and speak to your concern. This item will not be voted on at the meeting unless an emergency exists. If any of the trustees want to bring this item to a vote, it will be placed on a future agenda.

In order for your topic to be placed on the meeting agenda, this form must be returned to the superintendent's office on Wednesday of the week prior to the meeting.
