To Tom Stack and the Bigfork School Board,

I recommend Jim Benn and Karen Pogachar as teachers for our summer school program in 2023. Jim Benn, our CBA, Spanish and 8th grade social studies teacher, has worked as a summer-school teacher the last three summers and helps to create and lead our Friday field trip experiences. Miss Pogachar, our 6th and 8th grade science teacher, has been running our study backs program before and after school and brings with her a strong understanding of our science and math curriculum which is a great need in our program. Thank you for your consideration.

Please consider Bronson Ericksen and Karen Johnston for a summer school teaching position this summer 2023. Both are returning from our successful program last year. Mr. Ericksen brings organization, historical knowledge and understanding of multiple subjects. Mrs. Johnston brings her many years as a special education paraprofessional to be able to work side by side with those that struggle, and a multitiered process or intervention for those that need it.
