08/14/23

Dear Mr. Stack and Board Members,

Mr. Appleby and I are excited to recommend Kecia House for the Middle/High School Art position. Ms. House has taught Art at Stillwater Christian School for the past 2 years. Previous to teaching she was an Anatomy tutor at FVCC, providing one-on-one support and group tutoring.

Ms. House has a Bachelor Degree in Art from Westmont College, CA. Kecia will be working under a provisional license through OPI until she can earn her teaching certificate.

Thank you for taking the time to consider this recommendation. Please contact Mr. Appleby or me if you have any questions.

Sincerely,

Mark Hansen & Charlie Appleby
