Mark and Charlie,

I've struggled and gone back and forth on whether I am going to be able to teach next year. My family recently invested in a business near Swan Lake and I would like to dedicate myself to this new venture. This is an opportunity to grow alongside my family. With changes happening in my personal life and this new career opportunity, I will not be able to return to my position next fall. I've enjoyed teaching with Bigfork and am grateful for the opportunity. Please let me know if there is anything you need from me to help. I would consider being part time teach middle school until the position is filled. I love teaching, but I've found something where I will be able to grow financially, which is something I've struggled with this last year.

Sincerely,
Bailey

I would like to resign from my position as Groundskeeper/Custodian. I am giving two weeks notice. My last day will be August 2nd, 2023. I appreciate the opportunities you've given me. I will miss my coworkers and especially the students.

Sincerely,

Lisa Campbell 7/19/23

Dear Mr. Stack,

I would like to recommend Mrs. Cassidy Fisher for elementary special education teacher. Mrs. Fisher has 13 years of special education teaching experience at both the elementary and middle school level. While all of her special education teaching took place in California, she was the librarian at Swan River School in 2023. She comes highly recommended from all of her past teaching positions and will be a great addition to the special education team.

Thank you for your consideration.
