LOGAN HEALTH

Did you know....

Our school based clinic is here to help with a variety of services, preventive, acute, chronic and mental health care. From routine wellness visits and sports physicals to the acute viral or bacterial illnesses that go around, the clinic is here to serve our staff, students and family members. These services are not intended to replace your family's primary care provider, however to compliment the services your family doctor provides and to help those who do not have a primary care provider.

As a working wife and mom, I know exactly how important it is to have quality, convenient healthcare in our community and have personally received the benefit of this resource.

Services will be available over the summer Monday through Thursday from 9-5, please call (406) 858-3453 to get your appointment scheduled today.

Here's to a great, safe summer!

Alyssa Grekoff

RN, Bigfork School Health Liaison

– open to all school-aged kids –
