

# KINDERGARTEN STAGGERED START

Generally, we have a staggered start for kindergarten students. In the event anything would change, we would notify you. Your child will have the opportunity to slowly be introduced to kindergarten. Since there will be a smaller group of students, your child will learn all of the basics of school in a lower stress environment. This includes a smaller group for lunch, recess, specials, and the basics of how to work in a classroom. We are really looking forward to working with your child this year!
