

RESOLUTION

Upon motion duly made and seconded, it is hereby resolved by the Trustees of Bigfork School District No. 38 that the Superintendent of said District shall approve applications for out-of-district attendance received from the date hereof until the date of the next general business meeting of Trustees unless the Superintendent determines that the impact of approval of any such application will negatively impact the quality of education for resident students by grade level, by school, or in the District in the aggregate in one or more of the following ways:

1. The approval would result in exceeding the limits of:
 - a. Building construction standards pursuant to Title 50, Chapter 60, MCA;
 - b. Capacity and ingress and egress elements, either by individual room or by school building of any fire code authorized by Title 50, Chapter 3 MCA; or
 - c. Evacuation elements of the District's adopted school safety plan.
2. The approval would impede meeting goals, standards, or objectives of quality that the trustees have previously adopted in a plan for continuous educational improvement required under the rules adopted by the Board of Public Education.
3. The approval would risk jeopardizing the educational quality within the District because the out-of-district student apply was:
 - a. Truant as defined in MCA 20-5-106 in the last school district attended;
 - b. Expelled by another school district at any time; or
 - c. Suspended in another school district in any of the three (3) school fiscal years preceding the school fiscal year for which attendance is requested. This subsection (c) does not apply to a student eligible for special education or related services.
