Subject: Board Rec

I am hoping to have two more Board recs tomorrow morning.

Please add the following to the next Board agenda:

Board of Trustees:

I would like to recommend Anders Epperly for a position as an elementary school teacher. He holds a Bachelor's Degree in Physical Education (K-12) from MSU Billings and is currently working toward his elementary certification.

A graduate of Bigfork High School, he has served as a long-term substitute at Bigfork Elementary School and currently substitutes at all levels within the Bigfork School District. In these roles, he has demonstrated reliability, flexibility, and the ability to build positive relationships with students and staff.

Thank you,

Brenda

Head Girls Basketball Coach Recommendation - Martel

From Matt Porrovecchio <mattp@bigfork.k12.mt.us>

Dear Mr. Stack,

I am pleased to recommend Isaac Martel for approval as the Head Girls Basketball Coach for the 2026 - 2027 school year.

Isaac is a proven leader who brings a strong background in athletics, performance, and health. In addition to operating a successful chiropractic practice, he demonstrates organization, professionalism, and a genuine commitment to supporting others.

This past season, Isaac was thrust into the head coaching role following a late resignation. With limited preparation time, he accepted a position that presented a number of challenges and took it in stride. Under his leadership, a young team responded with a 15–9 overall record, a 10–2 conference record, a conference championship, and a berth in the state tournament. He was also recognized as Co-Coach of the Year in the Northwest A Conference.

Isaac's ability to step into a difficult situation, establish structure, and guide a team to success speaks to his leadership, adaptability, and character. With a full offseason to prepare, he is well-positioned, prepared, and brings a clear vision for continued growth and success in the upcoming season.

I recommend Isaac without hesitation and am confident he will continue to positively impact our students and programs.

Thank you for your consideration.

Sorry, I missed this earlier in the year.

Board of Trustees,

I would like to recommend Mrs. Marissa Meyer for the Science Fair Stipend position. Mrs. Meyer took on the science fair again this year, bringing home several medals and awards from the county fair. Each and every 5th grade student completes a project along with a board explaining their findings using the scientific method, then competes at our local science fair. The winners of our competition move on to the county where this year they performed very well.

Thank you for your consideration.
