What It Is (and What It's Not)

 A limited access benefit provided through Bridged Health Alliance

 Not comprehensive health insurance - not a MEC plan

 Not a replacement for major medical coverage

- Employees of participating districts are included in the Bridged system based on Bridged Health Alliance participation guidelines (including a 20-hour threshold) and can use this benefit
- Applies to individuals down to 20 hours per week, regardless of district benefit eligibility.
 - HDHP Exclusion
- This gratuitous offering is provided through Bridged and is handled outside of your district's medical plan.
- It is provided at no cost to the individual or the district.
- ID cards will be issued for those with access to the benefit
